

WEST CAMP

We encourage all scouts taking waterfront Merit Badges to come down to the waterfront on the hour. By showing up at 9, 10, or 11 o'clock we can better serve you.

Camp wide free swims will begin at 3:00 every day. We encourage all troops to obtain 8-point defense training so that you can run free swims for your troop at your convenience.

The Silver Bullet is an award given to the best marksman of the day. At the end of each period, the person who has earned it the most times will take it home. On Monday, June 24, the Silver Bullet was won by Richard Wolf with a score of 46.

The Ecology Conservation Department has new bulletin boards throughout the camp, one of which is in the mess hall. Nature hints and pictures will be posted on these boards.

The Lost and Found is located in the West Camp Office.

For Scout Leaders only: Scout Leader mugs are now located in your commissioner site. Have a talk with your commissioner over a delicious cup of steaming hot egg coffee. You can also get the secret recipe for egg coffee from your commissioner.

Tuesday night troops will assemble at the flag pole at 8:15 for the camp fire. The Order of the Arrow is holding their tap-out as a part of the West Campfire; due to this shoulders need NOT be bared. Since the Arrow will close the campfire and the Ordeal will be in progress, we ask that troops remain silent until Wednesday morning.

Any Scout interested in having a part in next Sunday's Protestant service see Rusty Singleton in West Camp or Bill Babcock in East Camp today.
