ORDER OF THE ARROW

As you all probably know, Camp Ma-Ke-Je-Wan's schedule has been changed from a 2 week, 4 period camp to an 8 week period camp.

In order to offer the same opportunities to every scout up at camp, the Order of the Arrow is sponsoring an Ordeal and Brotherhood callout every week.

The callouts will alternate between camps in the following schedule:

Period	B'hood	Ordeal
1	Thurs.-East	Tues.-West
2	Mon.-West	Tues.-East
3	Mon.-East	Tues. (Tepout only)-West
3&4	Between 3&4 traditional tepout-Fri., Vigil-Sat.	
4	Mon.-West	Tues.-East
5	Mon.-East	Tues.-West
6	Mon.-West	Tues.-East
7	Mon.-East	Tues.-West
8	Mon.-West	Tues.-East

Ordeal tepouts will be done at campwide campfires on Tuesday nights with the Ordeal following up on Weds. B'hoods will be done at the dinner meals in the past.

A small feed will follow the Ordeal after an orientation has been properly given. A late night snack will follow B'hood ceremonies when possible!

Order of the Arrow staff are invited to attend all ceremonies but are asked to at least attend all ceremonies in their respective camps.

Thank you very much,

Brian McIlwee
Chief of the Lodge

WEST CAMP

Have you played water polo or water baseball?

WEST (Continued)

Nature hike at 2:30 P.M., Monday 6/1/74, meet at the nature lodge. Those scouts needing hikes for environmental science and nature should try to make it!

If you can shoot a 35 or higher at the rifle range, you may be eligible for the National Postal Rifle Match. For details, come to the Field Sports Area. Certificates will be given to all contestants and awards will be made to the winners.

Troop leaving at the end of 2nd period please return troop photo orders by Wednesday. Thank you—Mike Creagh.

Anyone wishing to drive a vehicle past the west camp office must check with the camp director.

Attention Brotherhood Members—

There will be a meeting today immediately after lunch at the west camp office.

All New members of the Order of the Arrow should plan to spend Tuesday morning on special OA activities. We will meet at the west camp office at 9:00. If you have questions ask Max Miller.

If you want to find out what bird has a yellow belly and is a real ssp, take a gender at the ecology conservation board outside of the mess hall.

The winner of the Silver Bullet on Saturday was Barry Aronson of T-150. He shot a score of 41.

Mr. Anderson of T-78 won the horseshoe tournament on Saturday.

We welcome Troop 5 (from Waukegan) and Troop 198 (from Mundelein) who joined us Saturday.

WEST CAMP (Continued)

There will be a lightweight tent demonstration on Tuesday...if you have a tent contact John Kyle.

TELEPHONE

The switchboard will be closed to all outgoing personal calls after 10:45 PM except, of course, in the case of an emergency.

EAST CAMP

Senior Patrol Leaders Council meeting at the office 1:15 PM today.

The commissioners have taken up new residence. Artsy-craftsy (handicraft) is now in old, old mohawk near the trading post. The commissioner site for all scoutcraft merit badges is now east of the dust bowl in old, old Scoutcraft.

Advancement for the following troops:

<u>Troop</u>	<u>Turned in by</u>
72	8:00 Tues. night
365	8:00 Fri. night
Provisional	8:00 Fri. night

Troops: 47, 195,
59, 38, 24, 13, 47,
256, 96.

All east camp staff are cordially invited to the first, second period summit conference staff meeting today after lunch. On the agenda are the 3-4 period records. Find out if a young Jewish clerk can get along with an Egyptian director when the clerk oversleeps. Learn the agenda for the next 6 day ver with West Camp. Come, see and hear the controversial Casbrh North Taps. Is Bob Brown really an unindicted co-conspirator??? Come find out at the East Camp Staff meeting after lunch.

WEST (Extra! Extra! Read all about it!)

Need a service project-get a fan tool
Come on down to west aquatics and ask.

Set a time for your mile swim.

All new scoutmasters in camp please see Bob down at the Aquatics area.

ADMINISTRATION

Robert King, Administrator, announces the appointment of Dick Moore as Reservation chaplain for the 1974 season. Mr. Moore is assistant scoutmaster of T-134. He may be contacted at either the West or East Camp offices.

Dear Alpha Alice:
I have gotten lost. Modern weapons simply frustrate me. Help!
Robin Hood

Dear RR:
I believe that you could really find yourself at the Fields Aports Archery Range. AA

Effective July 2, 1974-Radio identification names will be changed to the following:

Cell Sign: KSY 794 Frq:151.865
Ad Building.....Alpha Base
