SMOKE SIGNALS
Vol. 1-
no. 10

(The Only Newspaper in Pearson, Wisconsin)

WEST CAMP

Meet ~~the~~ Outmasters and Senior Patrol Leaders in the West Office at 7:00 tonight.

Church services for tomorrow will follow this schedule:

- 10:00 Protestant Services
- 11:00 Catholic Services

EAST CAMP

There will be a guided discovery for the steff, and it's big and yellow. It will leave East Camp shortly after this evening's meal and head for the land of the Rhine.

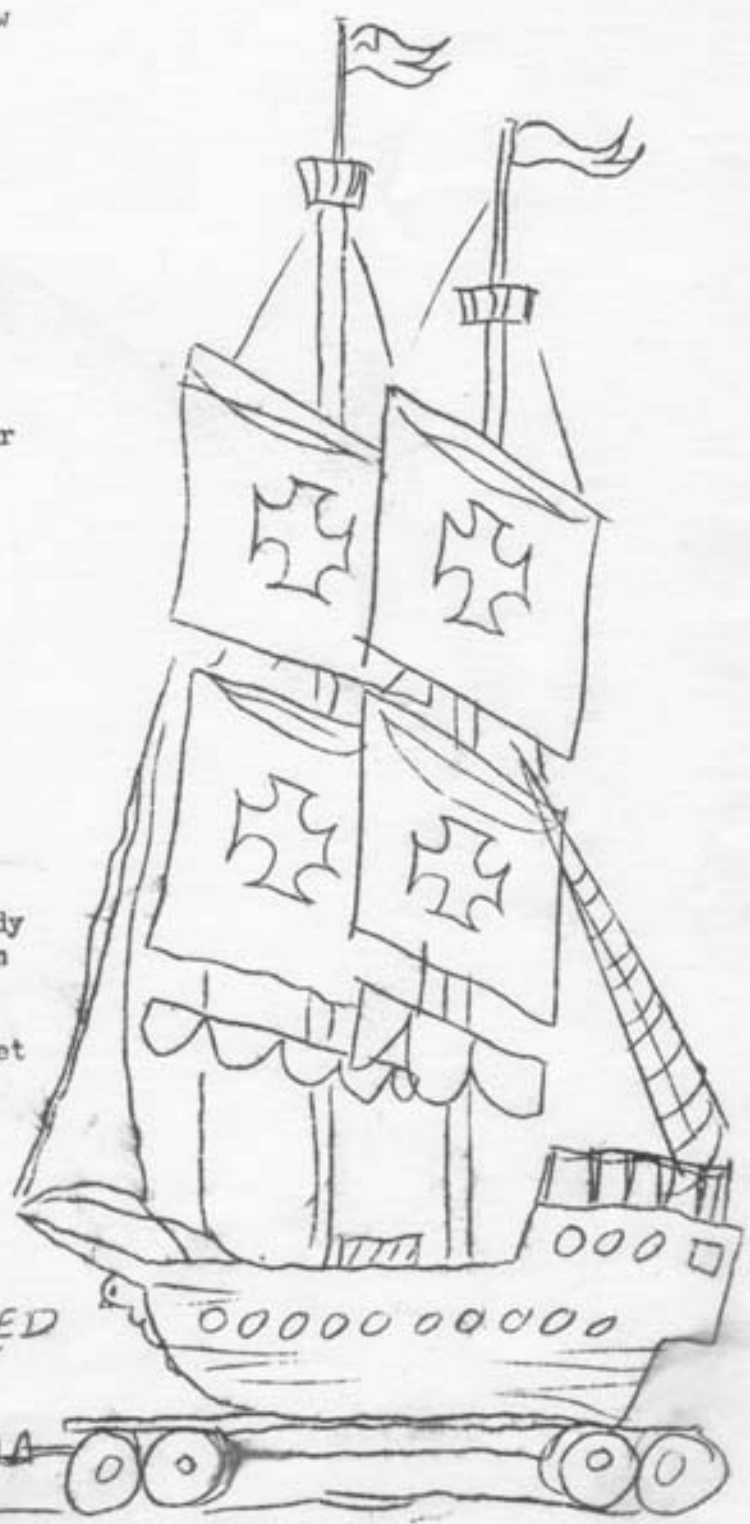

The challenge begins tomorrow. For your information, the 3rd period lineup is as follows:

Cherokee	Provisional
Menominee	6
Blackfoot	290
Comanche	53
Iroquois	264 and 194
Sioux	21 and 34
Delaware	162
Mohawk	60

Remember P.M.A. starts at 10AM Sunday.

UPA Pearson, Wisconsin

Scientists today released a 250 page study done by a research team at Me-Ka-Je-Wa Scout Reservation. The study reveals data which proves beyond a doubt that waterfront steff do not have webbed feet as has been believed for many years. This breakthrough finally dispels theories linking waterfront steff and the "missing link".
