FAMILY CAMP

We would like to extend our apologies to the Edwards family who were inadvertently left off our list of incoming families. Of course, they are very welcome and we hope they enjoy their stay.

Approximately 45 residents of Family Camp will be going by camp bus to Rhinelander Wednesday morning to tour the Von Stihl Winery. They will meet in front of the Ad. Building at 9:00.

WEST C/M/P

Message of the day:

-. . . / - / / . - / / . . . / . - / . . / - - / . / . - .

If you are interested in softball, you can get a ball and bat at the west office, we also have a soccer ball.

For Scoutmasters only:

Find the secret to making egg coffee in your commissioner site. It is sort of like a one pot breakfast.

All OA members meet at the west camp office after lunch for a very brief meeting.

Nature hike for environmental science today at 2:30 PM sharp. Meet at the Nature Lodge.

Come one, come all to west camp waterfront tonight at 7:00 for the 3rd period Water Carnival sponsored by your friendly Culligen Softwater man.

For anyone interested, there will be a central Wisconsin field archery shoot in Antigo on Sunday, July 14. To continue throughout the day. Questions should be directed to Eric Lippold at west camp field sports.

What wildflower has a preacher in its pulpit? See ecology-conservation board outside west camp dining lodge.

EAST C/M/P

The Scoutmasters of Troop 6, Troop 290, Troop 194 and Cherokee are invited to a Scoutmaster's dinner Tuesday night at 6 PM in the Dust Bowl Commissioners site.

On Tuesday afternoon at 2PM, the commissioners will teach totin' chip to the senior patrol leaders of the various villages, who can then pass the junior leaders.

WEATHER

(East reports...)

Me-Ke-Ja-Wan will be mostly hot today while storm clouds will be building over an area due east and north of Hindu Lake. Heavy waves are expected on Lake Killien as storms of scouts descend on the waterfront.

Very bright sunlight is expected in Iroquois Village (unless Mr. Adams finds his hat)

Have a good day and remember—

If a tidal wave hits west camp it will be gone when waterfront closes)

(West reports...)

Warmer & calm

High temp. 96

Low temp. 88

Moon tonight is in its declining phase and can be seen in the eastern sky, in a 3/4 position, at 9:30.

KANGAROOS

It has been rumored that a kangaroo has been sighted around camp searching for camp directors and Protestant chaplains that have not taken swim checks yet.
