The opening round in the East water polo tournament begins Tuesday night. Troop 174 vs. Troop 133 will be at 7PM, and Troop 24 vs. Provisional at 7:35PM. Good Luck to all.

WEST CAMP

Rumor has it that Arvella's missing pie plate is in the front seat of Dave Smith's car.

In 1959 the original West Camp obstacle course was built; on Monday July 22, 1974 it ended its 15 year life, as it was torn to the ground and unmercifully destroyed.

For all campers---the Lost and Found is located in the West Camp office. If you find something please turn it in.

The Silver Bullet was won on Monday by Jim Weis who had a score of 46.

Menu of the day: See your commissioner.
TENDER FILET OF MOSQUITO LARVAE CORDON BLEU
This delectable fruit of the pond is gently prepared by fileting only the choice quarters of the plump larvae then roasting it with love and bringing it to the plate piping hot. Add a petit sprinkling of spices and no Scout can refuse it.

WEST CAMP (Continued)

Oh! My Goshers! Take Warning! All and everyone! A verracious rummor has been passing around the West Camp that a mischievous little Easter Bunny is vainly attempting to upset the Bellence of the Christmas Season! How dare you...you... you...scandalous little Bunny! We all must join to force this rascal back into hibernation and have a merry Christmas Season: How? Let me inform you of my plan! First of all we must all sing as loudly as possible all of the Christmas carols we know---to frighten the evil devil back into his hole!!! We need your help! You must sing! Sing! Sing!
Signed, The Christmas Spirit

FAMILY CAMP

We'd like to welcome Mrs. Peskator and her son, and Mrs. Sheriff and her 2 sons to family camp. We hope then enjoy a lovely week!

THE ADMINISTRATOR SAYS

A dependable person doesn't need to advertise the fact---it's visible in everything he does and soon becomes common knowledge to everyone. Likewise, an undependable person can't hide, disguise, or cover-up his shortcomings no matter how hard he tries.
