MENU OF THE DAY: SEE YOUR COMMISSIONER MAYFLY MIXED GRILLE WITH SPIDER SAUCE

The most meaty segments of our fully chopped mayfly are selected and quickly pan fried over medium heat until crunch golden outside, pink and rich inside. Spices are added judiciously. Then, spider secretions are heated over a double boiler until only the heart of the succ remains. This is lovingly poured over the meal then a rosy garnish of flower petals is added to make an irresistible presentation.
