There will be a water carnival at 2:00 Sunday afternoon. Everyone come and see which troop is best at messin' around at the waterfront.

All OJ members:

There will be a very important work crew going out tonight. Please be out in front of the West Camp office by 8:00PM. Wear work clothes. We need everyone's help.

Menu of the day: See your commissioner

Scout Kebob

Ingredients: 2 lbs. sliced bacon
4 lbs. fresh vegetables
1 hatchet-wielding scout
60-160 lbs.

Preparations:

Secure one scout who persists in using his hatchet on live and standing trees around camp. After said scout has felled a sapling, about 6 feet long and 2 inches in diameter use his eye to sharpen the end of the sapling. Then cut the scout up into 6 oz. pieces and skewer them onto the sapling.

West Camp (Continued)

Alternate pieces of meat with fresh vegetables. Wrap the entire kebob in bacon and simmer over hardwood coals. Kebob will be done when the sizzling of the meat seems to be spattering out the words, "the tree was dead, the tree was dead."

GENERAL

There will be a traditional East West call-out held in the OJ Bowl on Tuesday, July 30th, for those of you who have not yet been informed as such. Cooperation and a positive spirit on the part of all OJ members will be thoroughly welcomed. OJ campers in East and West Camps ask Ken Gordon and Joe Bohles, respectively, to see what you can do for bowl preparations. We need your help!

Sunday there will be a fun-filled and song-filled work project. At 9AM or immediately after breakfast come out to the big bowl and work OJ style. Bring your uniform so you can attend religious services. If you have any questions talk to Ken Gordon (East) or Joe Bohles (West).
