UPI Pearson, Wis.
Authorities report strange diseases affecting residents of Antigo. No apparent explanation exists for ailments such as tall people shrinking, people becoming ugly. Police report an unusual ceremonial dance found on the Wolf River. The dance appears to be a type used by a south American Indian tribe in witch doctor ceremonies. Authorities are searching for its owner.

WEST CAMP

There will be an extremely important work project after lunch. Meet at flag pole immediately after the meal has finished. We need every OJ member.

West Camp (Continued)
