

EAST CAMP

All troops are invited to a campwide campfire at East Camp tonight. Assemble in the Dust Bowl at 8:30 tonight.

All OJ members are requested to be at the Dust Bowl assembly at 8:30. Bring your sashes.

The trails are getting very bad. If they are not cleaned up the Trading Post will be closed.

Botany hike Thursday morning 9:00 AM at East Camp office.

Do you smoke cigarettes? Please pocket the butts because they are also litter.

Coming events (bring your money)- Neckerchief slide painting contest.

Brand new survival kit available at the TP. Buy a survival neckerchief and get one free!

Scoutmasters- Extra camp patches are still available from the Camp Director. Remember everyone gets one free. Extras are 50¢.

Tonight at 8:30 you're invited to an enlightening East Camp campfire. Troops should meet in the Dust Bowl at 8:30PM.

UPI Pearson, Wis. Authorities report strange diseases affecting residents of Antigo. No apparent explanation exists for ailments such as tall people shrinking, people becoming ugly. Police report an unusual ceremonial dance found on the Wolf River. The dance appears to be a type used by a south American Indian tribe in witch doctor ceremonies. Authorities are searching for its owner.

WEST CAMP

There will be an extremely important work project after lunch. Meet at flag pole immediately after the meal has finished. We need every OJ member.

West Camp (Continued)

There will be a Scoutmaster's dinner tonite at 6:00 PM for adult leaders from Boone, Fremont, Carson, Clark, and Bowie Villages. Come to the Northwoods Construction Co., Left Annex for a scrumptidilyisious meal.

There will be a campwide campfire this evening. Troops should assemble at the flagpole at 8:15. Please, be prompt. Although the OJ top-out will be held in conjunction with this fire the shoulders of non-members need not be berred.

Today, see how to cook without utensils down at the Northwoods Construction Co., Right Annex. Be sure to stop by this afternoon between 2 and 5.

WEATHER

Rising Barometric Pressure 30.25  
Sunny, high in the 80's  
Perhaps a few sunshowers...who knows?  
WEST (late announcements)  
Environmental science merit badge hike at 2:00 PM. Meet at the Nature Lodge.  
Bird hike at 7:00 AM tomorrow morning meet at the West Camp office.

FAMILY CAMP

Welcome to the Ciseks' who moved into Family Camp yesterday and to Barbara and Mike Teobold, visitors of the St. Clairs'.

There will be a watermelon feast this afternoon at 3 in the family area lounge.

Message of the day:
