Letter to the Editor

I would like to thank the camp administration and staff for making this year's camp great pleasurable and secure for my family and I.

The general attitude and sense of professionalism exhibited by the various counselors I met during the week was terrific.

Thank you for and all of sharing Me-Ke-Jawan with us and for providing many productive functions of this camp. Special thanks to the council leaders and staff.

Me-Ke-Jawan has a fine staff and the program of development possibilities were unlimited.

The whole camp experience was "GREAT".

(Dick Butler)

WEST CAMP (Continued)

At 1:00 p.m. the camp will be a most interesting ceremony. Meet at the flag pole promptly. There will also be a special program of music.

For any of you who have tried the orange prior to the West Camp staff has built, you probably realize that it will never succeed. They have a tendency to be average in the camp.

The West Camp will have a special program of Me-Ke-Jawan weather radio or Dressed. Me-Ke-Jawan is a very interesting radio program.

SPL Meeting Saturday at 1:00.

For anyone interested in being a member of the SPL, please contact Mike Croghan. He will be in charge of the next year. If you want to defer to Mike Croghan at West Camp contact him Sunday.
