DEAR PEPPERMINT PATTY:

The weeks before I came to camp seem to have been very wet. The first day I stepped off the bus, I was met by a swarm of 2 million mosquitoes. Not anticipating this welcome, I forgot my bug repellent. I now look like I have the measles because of all the mosquito bites. I'm desperate what can I do? Spotted, but Hopeful

Dear Spotted:

Why don't you train a dragonfly to follow you around and eat the bugs?? If you don't have the time for that, visit your trading post where you can buy some Off or 6-12. Good Luck. Peppermint Patty

NOTES FROM THE ADMINISTRATOR:

The trouble with being a leader today is that you can't be sure whether people are following you or chasing you.

HAPPY & BIRTHDAY #21 DEAR MIKE, HAPPY & BIRTHDAY #21
