There will be a S.P.I. meeting after dinner tonight. Please bring ideas from your troops.

If you recall, on the Field Archery Range, all the shooting stands have their own names, usually nature names: Bellwart Bend, Tick Trace, Horsefly Holow, etc. We put two new stands in and they are as of now, unnamed. So, we are holding a contest to name the two new stands! The winner will win a \$1.25 gift certificate at the Trading Post. Entries are to be in to archery range by Wednesday. See you there!
