We extend an invitation to all troops to volunteer for our evening Dining Lodge program. A song or skit would do. Let's all pitch in to make th Ma-Ka-Ja-Wan program a boy program.

East Eco-Con: Don't you wish you were loved by Mother Nature!

West Camp would like to welcome Mr. Stephen (Smoky) Buncak to their staff. He will be acting commissioner for Crockett and Whitney Villages this week. "Smokey" started in scouting in 1970 when he was soon made assistant Scoutmaster of Troop 18 in Waukegan. Shortly after that he was Scoutmaster. He is now a Unit Commissioner on the shore and a Coach Counselor for Cornerstone. He has his Wood Badge beads and is a member of the O.A. His specialties are Scoutcraft skills and some nature. We welcome Smoky to our staff.
