Hey, Larry Young

"Well, Bob, I am not sure but if I come up to Fort Ticonderoga, will I be able to find out?"

"Sure, Larry, come on up."

WANTED Hearty Adventurers, not afraid of panthers or the unknown. A band of strong pioneers is needed to span the Ma-Ka-Ja-Chasm near Saratoga Commissioner Site. Weak-hearted need not inquire. Meet today at 2:00 pm at the Saratoga Site.

Yesterday John Gerry, Mark Lewis and Jim Erickson of Chippewa, along with Brian Punt of Cheyenne, attempted to conquer the AMAZING MAKAJA-MAZE at Crown Point Commissioner Site. It was a gallant effort, but the maze is still UNMASTERED!! Who will be the next group to tackle the challenge? Come up and try!

At 10:00 this morning, wolves visited the friendly people of EcoKon! They are expected back this afternoon. Come up and see!
