Concerning yesterday's volleyball game between the west staff and family camp. We received two conflicting reports, however one would be apt to believe the trustworthy BOY SCOUTS from West Camp -- Need I say More !?!?!?!?!?!?!?!?!?! (It seems that the Staff had a hard time keeping their eyes on the volleyball and instead had other things to concentrate on. The young ladies from family camp enjoyed the game too.) Need I say more?

Jeff Fiocchi and Joe Mella are picking bones from between their teeth from the 26 inch Northern caught by the two from West Provisional. All camp fishermen: the pike are biting. They're waiting for your spon! Early morning is the best time to go.

Come to Rich's place and buy frozen candy bars and suicides for only 15¢. You can also buy ice cream in the morning at the T.P.

Radar Remarks:

Dear Radar, I've been seeing orange and purple spots in front of my eyes. Do you think my case is bad enough to go see the medic? Signed R.K.

Dear R.K. Any case is bad enough to go see the medic, but all you'll see is orange and purple spots..

Dear Radar, I just heard the story of the MAK Bear and my SM says that there are no bears around here, but exactly what steps would you take if you did see a bear? Signed, Unassured.

Dear Unassured,  
QUICK STEPS, MY BOY, VERY QUICK STEPS... Signed Radar

The Chaplain's Corner:

"The Lord God hath given me the tongue of them that are taught, that I should know how to speak a word in season to him that is weary." Isaiah 50:4 How like God that he should always have someone available who has learned of God's answers when we have a similar problem. We are Scouts should always be aware of someone who we might be able to help. God Bless You.
