SMOKE SIGNALS

Ranger Report: The fire danger level is extremely high so please watch those fires!!! (Put them out well).
THANKS EVERYONE!!!

I would personally like to thank Troop 91 and all staff who helped clean up after the Bicentennial Picnic. With your help, the kitchen staff was able to have a relaxing 4th of July evening.

Thanks Again,
Steve Loeschen,
Food Service Director

Along the same line... we all had a lot of fun yesterday watching the Formal Retreat and fireworks. So, if every Scout would do his good turn today by picking up any litter, Ma-Ka-Ja-Wan will look as good for 2nd period as it did for 1st. Pitch in!

East Camp - Ken's Comments:

There will be a SPL meeting after lunch at the East Camp Office porch. Shower house cleanup today will be Iroquois Campsite. Please report to the office before and after clean-up. Thanks!

All Polar Bears interested in the annual Killian Triangle Migration (mile swim) may contact the Bronze Budha at the Eastern Shore Temple. It will be held Tuesday afternoon.

Camp Wabaningo:

Troop 57 will be heading down the Wolf River on an overnight canoe run. With luck they might see the Great Blue Heron that was spotted in the area on July 4th.

Doc's Menu of the Day -- "Labrador Tea"

Start with an ample supply of tea leaves of the "Labradorous Lamermayerous" variety. Boil a dixie pail full of water and add leaves in a proper backhand procedure. Leave to cool in a West Commissioner Site. (This recipe can be perked up with a dash of mint flavored gleem and a dental H).

West Camp:

Andy Flamm won the Silver Bullet again with a score. Ralph Reich-
enbach won the bullet for the week.

Anyone who is taking, wants to take, or has taken Hiking Merit Badge, come on down to that other great Commissioner site down near the lake in West Camp, and Banyon Court in East Camp today at 2:00 pm.

Something new Scouts! Now you can take the Wisconsin Boating Safety course here at Ma-Ka-Ja-Wan. The cost is \$2.00 and it allows you to legally operate a motorboat in the State of Wisconsin and Illinois without your parents having to be with you. For further details contact any of your aquatics counselors.
