## Wabaningo

The mystery from the Wab Marsh is why does the Wab staff have to travel all over East and West Camp to find enough horse tickets to meet demand?? Why is there a surplus of tickets in East and West??

After a grueling battle between East and West Soccer teams, the West team came out victorious. We would like to thank all those who participated in this event.

Horse tickets are going quick. For all those people who like to horse around, come to your camp office for tickets

Horse tickets from East are the best.  
They're even better than those from West  
Come to the office -- seeken,  
Then go to the horse pen.

NOTICE: Two puppies (1 black and white spotted and one brown and white spotted) have wandered away from a local farm. They were last seen following Scouts towards the Wolf River. If you spot these puppies please notify the administration building.

From the Chaplain's Corner:  
"He will not suffer thy foot to be moved: he that keepeth thee will not slumber". Psalms 121:3  
Just as God provided care for King David, he will provide the same care for those that love him in this day. Only believe. It is some promise when God promises that he will not allow anyone to move you from the place he has placed you. God Bless You.
