From the Editor:

Today's articles from East, West and Wabaningo are contributed by three of my greenest cub reporters. They are Ken Beauvais, Tim "greenest" Green, and Dave Smith respectively. We are expecting only the finest pieces of news reporting from these new journalists. If you have a news item which you feel is worthy of this fine publication please submit it to your camp reporter.

A special thanks goes to the East camp staff and Dave Smith for fixing a scrumdiddlyishous Lasagna last night for staff snacks. Also, John's marvelous elixir was quite tasty. Thanks east camp!! Next week: west.
