West Camp

All scouts interested in Camping or Cooking skill awards or merit badges must check now at your commissioners' sites.

Fremont Village! It's your turn to clean up the camper's shower. Report to the West Camp Clerk before and after you do it. Do this well, because the showers should soon be an area of great interest!

Wabaningo

The Wab staff (and Dave Smith) report a recent observation of the rare INDIGO BUNTING in the Wabaningo wilderness area. Or was that an indigo bunny? Do they grow that way? I think that's purple. That's Rust'Oleum. Oh.
