

VOLUME 1001 MAKATAWAN
NUMBER 21 SMOKE
JULY 21, 1976 SIGNALS

GENERAL NEWS SAYS:

Fun!! Excitement!! Come on out to the Staff Soccer Game, to be held tonight at the West Camp Field at 8:15 pm, so all you association Football Freaks come on down and take a gander at some real soccer!

A reminder from Albert Fleep: Don't forget to patronize your local Trading Post!!!!!!!!!!!!

WORDS OF WISDOM FROM WEST:

Doug Adams reports that we shot 4 WHOLE shells yesterday at the skeet range! Where the heck are you guys!?!?!?!?

Let's hear it for John Thompson of Troop 50 who has won the silver bullet for two days in a row with scores of 46 and 47 respectively. Good eye, John!

CAST CAMP FLEWS NASHES:

FLASH! EXTRA!! SANDERSON BROS. CLEAN UP ARCHERY RANGE!!!!!! Chris shot a 262 on the Modified Chicago Round and John shot a 34 at 30 yards. Way to go, guys!!

At last! the BRAND NEW EAST CAMP SHOWERHOUSE is now open for business. Please do your best to keep it cleaned up. We know that the length of time that the showers will stay on needs adjustment-- please bear with us until these adjustments can be made.
The Management

Jim Hichman and Alan Cook, both of Troop 21, completed the Mile Swim Tuesday at the Eastern Shores Temple. Rumer has it that Garfinkle is in training and may soon attempt the Killian Triangle for the second year in a row. Come on down -- don't let a dog attempt something you won't.

Apparently a real, live Kangaroo was seen hopping in East Camp calling the name of Jamie and delivering mail from a certain young lady from Deerfield . . .

MORE FROM WEST WAMP: Top Archer was Steve Bauer of T-36 with a 22.

Our favorite swimming Provisional SM, Larry Williams, actually shot a Bull's-eye on the Archery Range at the incomprehensible distance of 10 yards!!!!!!!!!!!!!!!!!!!!!!!!!!!!!!!!!!!!!!

Our thanks for today's fabulous issue go to one J. Roger Zigby, our Asst. Editor Occasionally in Charge of Production. He generously gave time from his busy photographic schedule so that you may be served better at Camp Ma-ka-ja wan.
