

MAKAJAWAN

SMOKE SIGNALS VOL III
JULY 28, 1976 NUMBER 26

The #1 movie of the year, "Cry of the Marsh," rated by the movie critic of the SMOKE SIGNALS as a smash hit, will be shown at 8:30 in the West Mess Hall. All, including Family Camp are welcome.

Father Nicolet has been seen lurking in the woods....

The lucky shower clean-up village is Cody. See the clerk right after breakfast.

WEST
CAMP

Swamp Fox Notes:
1. The Beaver Construction and Development Co. is working on various Nature Merit Badge projects. Hire yourself out as a coolie if you need a project.

2. The fifth Periodical Critter Crawl Ma-Ka-Ja-Downs will be held today at three o'clock p.m. in Fox Stadium which is located behind the Nature Lodge.

Whitney, Tr. 23, did a service to West Camp, by cleaning up a mess of candy wrappers, etc., from around the flag pole area. Thanks much, guys.

The amazing East Commissioner Staff of Jim Johnson and Ron Chrzanowski, Kevin Beauvais & Wayne Fresen, with their toothbrushes, conquered the dangerous Kilian Triangle in record time today. Come on Swaneel! Get your commissioners together and see if you all can handle such a feat.

CAMP WABANINGO
We would like to welcome Troop 80 from Antioch, and Troop 52 from Deerfield to Wabanningo. Both of these troops are running their individual programs in the Wab wilderness. Have a great time!!!!

Thanks go to Tim for his work on the grounds surrounding the Jackpine latrine.

All Scouts working on Environmental Science projects meet at Eco-Con this morning at 9:00 a.m.

EAST
CAMP

The Terrible Timber East of Beast Camp will have a Forest Tree identification hike this morning. Meet at Eco-Con at 9:00

(a.m.)

Come to the star hike Thursday night. Meet at 9:30 p.m. in front of the East Camp office.

OVER

More puffs
from East

Tonight's Dining Hall meal will be a "Lumberjack Special." All persons attending the meal are requested to appear in proper lumberjack attire (blue jeans; plaid, flannel, or wool shirts; or T-shirts; boots and beards).

The lucky village for showerhouse clean-up today is Sioux (Troop 90). See Barry at the Outpost Commissary for details.

Archery at East is better (at least) by far than that at West. And Nordie, take heed, since you obviously need some practice, 'cause we are the best.

Tom Ronan, they say, came down yesterday and shot a forty score, and a three-thirty-two on Chicago Round, too, so West Camp let's "get down" some more!

And any day that you want to (say, next Wednesday about, ok?) Our "Merry Men" will come down, and shoot a few rounds, and for sure take the prize away!!

This morning at 9:30, Ron's and Kevin's Commissioner area will hold a coffee cake making demonstration.

WARNING: Several Scouts have been stung by hornets on the walk to Grasshopper Valley. Please take caution if you walk that trail.

GENERAL NEWS:

Flash from the Eastern Shores:

Today, 16 Sunworshippers conquered the dangerous Killian Triangle to complete the Mile Swim. 14 of those were from Delaware.
