EAST CAMP SNOOZERS

HELP!! If anyone has room for a rider to the North Shore on Monday August 16, please contact either Mr. Sam Sibley in Shawnee Village or John Kyle at the East Office.

Let's hear it for Sioux Village - they get Showerhouse cleanup today. See "Slavedriver" Barry at the Outpost Commissary for details.

The Fourth Praising of the Bronze Buddha (that's a Water Carnival) will be held today at the Eastern Shores Temple (that's the East Waterfront). All Buddha Worshippers (those are troops) should report to the Temple at 2:00 all set to get into some heavy praising (that means have fun). All Southern Shores Worshippers (that's Family Campers) are welcome to attend.

The newest member of the "Haveing Fun at Camp" Club is Ken Weber of T-26 in Shawnee Village. If you want to join the club, too, just ask Ken how to do it. It's GREAT!

TODAY'S IDIOCY: A MaKaJaWan medic named Wayne
