Good Morning! Is everybody wide awake and ready to go on another beautiful Ma-Ka-Ja-Wan day? The weather report states that it is supposed to reach the low 80's today, and who can complain about that. At least sunshine doesn't drip on you.

EAST CAMP-

Any Troop that has any extra equipment of camps, please return it to the outpost commissary this afternoon. Thank you for your cooperation.

At 7:00 PM, there will be a meeting of all Scoutmasters in East Camp at the East Camp Office.

Thanks to all Scouts & Scouters for your courtesousness last evening at the opening Campfire.

Scoutcraft-SPL's, come down today and earn your Totin' Chip. You need this to be able to teach knife and axe skills to your troop members.

T.P.-Hi! Today is trivia day at your friendly East T.P. For any 50¢ purchase, you get a free chance to answer a trivia question. If you answer correctly, you receive a free survival kit. See ya' there. Friendly Dave

Field Sports-Congratulations to John Sanderson, Troop 260, who holds the lead for the Silver Bullet. John shot a score of 43 which is only 3 points short of last week's record high of 46.

Many Scouts have started their NRA scores, with some almost completing their first rank. If you haven't joined all the others, hurry up and talk to the F.S. Staff.

The Rifle Range will be open from 2:00-5:00 for open shooting today, but will be closed from 7:00-8:00 EXCEPT for Troop 174, Commanche Village, which has a troop shoot. Troop 23, Chippewa Village has the Archery Range reserved from 4:00-5:00.

All of the NRA targets that were shot yesterday have been scored and can be picked up down at the rifle range from the can. If not taken by 8:00 PM, the targets will then be sent to the Federal Government so that they can send them to some other country under the lable of foreign aid. They will probably be sent either as roof shingles, wallpaper or toilet paper. Remember, get your targets or Uncle Sam will find out that you exist and probably make you start paying taxes.

Jim Hellen: You owe me \$8.00--pay up, you cheapskate!!! Otherwise, the East Camp Artillery Brigade will be forced to take drastic action.

To The Other Commissioner: Seems like that whenever you see me, you always ask for something which is definitely not Copenhagen. Hope all of your nerves are holding out, guys.

If it gets too bad, try chewing on Jacky's stencils; I hear they're great. I still think you're all smuggling contraband. In fact, I know you are. So long for now; I cannot wait for the next chapter in this soap opera. This is even better than "Saturday Night Live". Signed: "The Terminal Man"

EXTRA! EXTRA! EXTRA! EXTRA!

A one-horned Tibetan Yak was sighted at the O/A Lodge. (Or was it a unicorn?) Better check it out, Kevin.

ATTENTION: TO WHOM IT MAY CONCERN:

Laugh now, but vengeance shall be mine. I know who you are and may the fleas of a thousand camels infest your armpits.

FAMILY CAMP

Please take note: The Nature Hike scheduled for this afternoon will have to be postponed for a few days. Check here for re-scheduling.

Due to the recent bad weather, we have had an epidemic of sore throats and colds. Hope everyone is feeling better now. This is supposed to be summer. Colds are for winter. Come on, everybody--think summer--think warm--think SUN!

Tha-tha-tha-that's all, folks. See you tomorrow.
