EAST CAMP-At 1:30 PM, today, there will be an SPL's & a Scoutmasters meeting at the East Camp Office. See you there with pen and paper.

At 8:15 this evening, we'd like all the troops in East to Assemble in the dust bowl for an hour or so of fun and laughs provided by the staff.

Field Sports-A few words of wisdom from your friendly Field Sports Staff. Open shooting begins today on all the F.S. ranges at 2:00 PM. Come on down and try your luck at putting a few holes in some paper. It's not that easy, but it can be a lot of fun. You'll also discover that trying to put an arrow into that huge paper target isn't as easy as it looks. I tried last night with three arrows, and only hit it once. (You try it with a bum knee!) So, come one down, and shoot the bull, get the shaft and crack the clay.

Competition for the Silver Bullet and the Golden Arrow (better known at the 35¢ rip-off) also starts today, so hurry up and start early and avoid the mad rush. Everyone else is trying, why not you??

NRA Qualification Shooting opens up this afternoon. All you have to do is put your name and troop number on the target. See, it's easy to begin. Over a 150 certificates have been given to deserving Scouts this year, so hurry and sign up and you'll be surprised at what you can do.

Remember, Field Sports entertains you with live music!!

East T.P.-Hi! Your friendly East T.P. Welcomes all the 5th period Scouts to East Camp. This year is the year of the Ma-Ka-Ja-Wan T-shirt shop. We have 4 types of t-shirts, 3 different colors, and four different decals. You can get your name on the back, too, for ridiculously low prices. So, come on up. See ya' there.
