Have a safe trip home, and, "ya'll come back".

Misc.-West-If you have any information leading to a red wool Scout Jacket, please contact Kevin Beauvais. Remember, "A Scout is Trust-worthy".

Hey, Ranch Foreman; I hope you know how to sew Scout shorts, or else! N.H. doesn't have the right thread either. Thanks, N.T.

Rumor - Rumor - Rumor - Rumor - Rumor has it today is the day!
7/28/50, when McLean was hatched.

HAPPY BIRTHDAY,
TOM!

EAST CAMP-Attention all Scoutmaster's-There will be an informal meeting of all S.M.'s & the Commissioner Staff & Camp Director in the Commissioner Site today at 2:30. We hope to see you.
P.S. We'll have coffee.

Today, at 5:45 PM, there will be a formal retreat to honor our country and it's flag. Please be prompt and dress in full Scout uniform.

T.P.-Today, at your friendly East T.P., it's the magnificent, marvelous, macaroni, multiplier manifesto. Just come on down and tell me how many noodles are in the jar, and the closest guess all day wins a free 1978 neckerchief.

P.S. One weekers know today is the last day to buy Ma-Ka-Ja-Goodies. But, do they know that Santa left me more wassail to give away for any \$5.00 souvenir purchase. Friendly Dave

It's definiely Dave Plumbers Special Day. Signed T.P. 46

Field Sports-Where does one begin when one has so much to say? First of all, Blackfoot Village is still in the lead for the "Race

(More)

for the Watermelon". Chippewa Village came so close at last nights troop shoot that specialists had to be called in for consultation in trying to figure out the score. Two villages have the Rifle Range reserved today for troop shoots. Menominee from 4-5 and Iroquois from 6:45-7:45.

SPECIAL

THREE, yes, THREE free blocks of ammunition goes to any Scout who can tell me what TICONDEROGA means. Ticonderoga is the new name for the Rifle Range and if you can figure out what it means, you deserve it. No help from Scoutmasters, or the Legend of Ti will haunt you. (HINT: It's an Iroquois Indian word.) See Tom if you think you know the answer.

Don't forget to pick up your NRA targets. If not gone by 8:00 tonight, they will be used to carpet the mess hall so nobody will slip and fall in case some idiot spills water on the floor again.

Special mention goes to Dave Plummers and Tim Rafferty both from Troop 46. Dave and Tim were down yesterday at the shotgun range, (Better known as Deerfield Massacre) and smoked so many clay pigeons that when the ducks fly south this winter, they had better go via Denver instead of Chicago. It just won't be healthy for the ducks if they come anywhere near those guys.

To All Scouts Shooting NRA-If you are leaving Saturday or Sunday, make sure that you finish shooting the rank that you've been working on. If you don't finish a rank, you drop back to your last completed rank. So, hurry up and finish and take home something you can be proud of.

FAMILY CAMP

Phyllis, the pizzas might cook a little faster if you turn the pizza over on. Love, B.J.

Taps-a bugle call to put out lights in retiring for the night. Signals a time for quiet.

SH-H-H-H-HOPEOPLE ASLEEP.

That's all for now, folks. Hope you day is SUPER!!! Remember, smile, smile, smile. It's so much more pleasant than a frown.
