

Vol. V No. 31  (THE ONLY DAILY NEWSPAPER IN PEARSON, WI.)
August 1, 1978

One, for the money; two, for the show; three to get ready; and, four to go--on Tuesday, August 1. Do really believe that it is August 1st already? Where has the summer gone--or was it ever here?? I really don't know, do you? If anybody finds summer, please let us know. Somewhere along the line, we missed it.

WEST CAMP-On Wednesday morning, in Paradise amidst the pines commissioner site, breakfast will be served for all Scoutmasters at 8:00 AM. See you there.

Eco/Con-Well, once again, it's time for the Astronomy Slide and Planetarium Show. Tonight at 9:30, in the West Dining Hall, we will begin with the Slide Show of the Universe and then enter the realm of the planetarium. Don't miss it. Dr. Michael Swanson will be your guide. 

Eco/Con Brief-don't eat the fungus growing on dead trees, it'll give you athlete's tongue!!

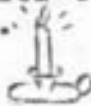

Ray's Bleachers-Q.M.-Please be sure to come down, if you have shower duty. The showerhouse is looking very shabby.

T.P.-Today, back by request, is the "Special Artist Day" again. Come down and by a stroke of luck, win a free munchy.

Sports Board-Cubs play the Cards at home.

EAST CAMP-Today is East's day for horseback rides at the Triangle M Ranch. If you would like to go, please sign up with Jim Johnson right after the noon meal today, in the East Camp Office.

Scoutmasters and SPL's-After walking through some of the campsites, Jim Johnson has found that a few patrols are not respecting our camp very well. Paper is all around, tents are set up carelessly, no fire buckets next to the tents, etc. Come on, gents----let's see if we can't do a little better. 

Scouts of East Camp-Be diligent in your merit badge work, and read your Scout Handbook by candle-light tonight, because tomorrow is an East Camp extravaganza day with something in it for everyone. Make sure your Commissioner sees you for details. 

East T.P.-Today is Trivia Day. With every \$.50 order, you get a chance for a survival kit and "Deep River Jim's Trail Book."
Signed "The T.P. Kid"

FAMILY CAMP-The shower rooms will be open again today. Please use conservative methods when using the showers, and PLEASE be sure the water is off. The septic system is extremely full and unless the shower rooms are used conservatively, they will have to be locked again.

Nature hike at 1:00 today. Please wear shoes you can get wet. Meet at the picnic table in Family Camp.

Tomorrow night is Family Night in the camp dining halls. Have dinner with your troops. Adults, \$2.00; children, 6 thru 12, \$1.50; and "kids" under five are free. Come join us!!!

Note to Family Camp Folks: There are alot of "staff families" that live in Family Camp, and most of them have to get up pretty early in the morning. It would be greatly appreciated if the "Quiet" rule would be observed after "Taps". Thank you. SH-H-H-H

Very Important to the Klutz Sisters: Remember, tonight is the night-John Hopkins is OD (Officer of the Day). That means that he'll be sleeping in the West Camp Office, (if you know what I mean). "Bo", beware!!!!

That's it for today, folks. Have a SUPER day. Remember to smile, and may God bless!!
