The days are warm, but there is just the slightest hint of fall in the air. Have you noticed that some of the trees are starting to change color, already? Summer sure went by in a hurry, this year. By the way, speaking of summer, Scoutmasters, be sure to sign up your Troop for the 1979 season. That will be our 50th Anniversary, and we have big things planned here at Camp Ma-Ka-Ja-Wan. We sure would like to include you in those plans. Why not stop at the Ad Building today, and complete your 1979 reservation form. Spaces are filling fast, and we don't want you to be left out.
