Vol. V No. 39

(THE ONLY DAILY NEWSPAPER IN PEARSON, WI)
August 11, 1978

Well, here we are almost to the end of the 7th week of camp. Only one week to go, and the 1978 Camping Season will draw to a close. It has been a good summer--we have had rain, winds, trees down, no electricity, cold, heat, humidity, lots of work, lots of fun, good times, not-so-good times, and we will have alot of memories to carry us through to 1979. This would be a good time for you Scoutmasters to sign your troop up for next years camping season. You know, that will be the 50th Anniversary of Ma-Ka-Ja-Wan, and you sure don't want to miss that. Take care of "sign-up" now, and come join us for the celebration.

East-West--There will be formal retreats in both camps this evening at 5:45, to pay honor our country and it's flag. Meet at the flag poles in full uniform. Please be prompt.

Also, for both camps, this evening is the Order of the Arrow Callout. Meet at the Dust Bowl in East, and the Flag Pole in West. Please keep in mind that this is a very solemn event, and should be treated with quiet and respect. Meet at 8:45 in your respective camps.

Reminder to ALL Scoutmasters:The fine for cutting a dead tree is \$25.00. If you feel there is a hazard from a tree or you need the tree for your troop program, Mr. King must OK the cutting of ANY tree.

West H₂O--The "Bronze Tigers" will host a super-fantastic WATER CARNIVAL today at 2:30 at the Water Front. For the thrills and excitement that your life has been missing up to now, come on down and join the fun.

Urgent Personals--Rich Lamermayer: Pay the 4 dollars that you own me. Not 4 doll hairs, or 4 bucks as in deer, just the 4 dollars\$\$\$
Signed: Mark Hobson

"Crazy Bob"--Write your mother. She wants to know when you are coming home. Signed "The Czechoslovakian-Excuse Me"

East Camp--Would the "Honest Scouts" who accidently removed several items from the Sioux Village mail box on Wednesday, please return them to the box--no questions asked. Remember, "A Scout Is Trust-worthy."

Field Sports-Congratulations to Iroquois Village for their well-earned score of 399 during their troop shoot. My hat is off to you fellas for a job well done.

A total of 45 certificates have been awarded to a number of scouts during the past week. A twenty-one gun salute to you all. Twenty-one x bang= 21 bangs. There is your salute. What did you want-the London Symphony??

Remember to claim your NRA targets from yesterday, or they will be sent to the Federal Government to be sent to Lichtenstein as foreign aid.

Troop 11, Cheyenne Village, has a troop shoot today from 4-5.

And finally, don't forget the "Questions of the Week". Several guesses are pretty close to being correct, but no "Cupie" doll yet.

Archery Question of the Day: What does the archer's dog say? "Bow"-Wow-Wow. (Boo-Boo-Boo!!!)

The men from Shawnee Village suffered a devastating defeat yesterday, at the hands of the East Camp Staff in one of the most exciting volleyball spectacles of the century. Responsible for much of the excitement and conflict surrounding this fiasco was the reservation official, Wayne, "keep it close" Fresen. Thanks, Wayne.

Reliable sources in camp have reported the attack of a giant blue shark in the East Camp area. This shark, an immense creature of incredible intellect, has been terrorizing the peaceful Harbor of the East and has even dared as to attack the Dining Hall. All troops have been asked to help in the search for this menace. All troops are requested to appear the the waterfront at 1:30 today. See your SPL for more info.

That's it for this time. Take care, and stay happy!!!
