Vol. V No. 40

(THE ONLY DAILY NEWSPAPER IN PEARSON, WI.)
August 12, 1978

Now that we are at the end of the 7th Camping period, we would like to wish "a safe trip" home to all those Scouts and Scouters that are leaving today. It's been great having you here for the past week, and we hope it has been a good experience for you. How did you like the farewell campfire last night? Wasn't it something? The fire itself was stupendous. There is always that brief moment after the medicine man speaks, that you just kind of sit there and wonder if the fire will actually start or not. Well, it did, and it was GREAT! We think that it was the best this year. How fitting that they saved the best for last. Thank you to all the Scouts and Scouters who have worked on the O/A Campfires all year. Well done!!!

West Camp-Ray's Bleacher's-T.P.-Today is Trivia Day!! Yes, for all my Batman trivia freaks, today, we'll have all types of trivia. Exciting, huh? A 52¢ purchase is required--winner gets one of our super survival food packs!!!

Q.M.-Whoever used the shower cleanup equipment 3 or 4 days ago, please return it. **Jerry is on vacation in the Bahamas!!!** (Don't you wish.)

Sports Scoreboard-The Cubs lost yesterday, only gathering two hits while losing 1-0. Too bad. These two teams go at it again today.

ALL SCOUTMASTERS-Please check and make sure that all of you troops medical forms are turned in. I find it hard to help the people whose forms are not at the Health Lodge. Thanks, "Leadfoot"

East Camp-Today at the T.P., is the mysterious map day. Anybody who buys a fifteen cent purchase or over, can try and find the mistake on the official Ma-Ka-Ja-Wan topographical map. The lucky winner gets a free survival kit. So what are you waiting for? Get on down to the T.P. and talk to Crazy Bob.

The Saga of Waldo-From his perch, high in the Commissioner's site, Waldo sends his greeting to all his loyal friends. Many thanks to those who stopped by to see his progress. Waldo still welcomes anyone to come down and listen to his saga, and hear of his future plans, the Killian Triangle? After all, that great waterfront staff can teach anyone to swim!

Field Sports-Wowie, Kazowie!! Congratulations to Mike White, T-1, Menominee, who yesterday was down at Ticonderoga and scored an amazing total of 46! (You should try to score a target like that! It's not easy.) With a super score like that, Mike becomes the winner of the Silver Bullet for Period 7.
