(THE ONLY DAILY NEWSPAPER IN PEARSON, WI)

August 14, 1978

Good morning!! How are you all this beautiful, hot, humid, sunny Monday morning? We hope you are all just fine and rerin' to go on the final week in the 1978 Camping Season. It has been a good summer, and we are going to try to make this last period just as great as all the rest have been.

WEST CAMP-Reminders: Formal retreat this evening at 5:50. Meet at the flagpole in full uniform. There will be a short meeting for all new (meaning, new this week) Scoutmasters, at 2:00 in the Dining Hall. Meeting of all SPL's at 1:30, in West Office. New fire warden charts are available from "Swannie". LET'S HAVE A GREAT 8TH WEEK.

Sports Scoreboard-Yesterday, the Cubs won 2-1, while the Phillies lost to the Pirates. Cubs return home today, against Atlanta. Radio game time - 1:30 PM.

West, West, West Eco/Con-Mammals merit badge animals are required to come down to the Eco/Con lodge if in need of requirement #2. Be there at 2:00 today.

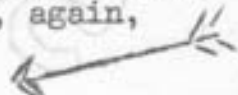

EAST CAMP-Eco/Con-Attention to all Environmental Science Merit Badges-if you have not attended sessions on requirements 1,7,8 &9, there will be "make-up" sessions Tuesday and Tuesday, only. Requirement #1 at 10:00, and 7, 8 & 9 at 2:00. If you have any conflicts and will be unable to attend--let us know!! Dave & Ken

To All Cooking Merit Badge people: Today is the last day to hand in your food requisitions. So, come down to the sight today and finish your menus and food lists.

East T.P.-Hey, people, today at "Crazy" Bob's is "The Human Body Trivia Day." Anybody who makes a .50 purchase, or over, gets to answer one free trivia question about anything in the human body. All winners will receive one survival kit absolutely free. Plus, any purchase of over \$6.00, will entitle you to a free survival kit, automatically. So, get your body down to the T.P., while we have all these great deals, and buy some.

Archery Department-The results are in for the "Golden Arrow" Award. Chris Hallenberg scored a 41 on the 10 yard target, Henry Mulligan scored 33 on the 20 yd., Jon Hilder scored a 25 on the 30 yd., Mike Theobald scored a 13 at the 40 yd., and Chris Hallenberg, again,

(More)

scored an 11 at the 50yd. Remember, the "Golden Arrow" goes to the Scout who scores the highest on each of the five distances.

Archery question of the day: What is an archer's favorite movie? "Shaft"

Field Sports-Mohawk Village, T-29, has a troop shoot from 7-8. Remember, if your troop has not signed up for a troop shoot this week, hurry up and do so and avoid the mad rush. Six of the ten villages in East Camp did so last week and all of them had a super time. Also, you can enter the "Race for the Watermelon".

NRA's: don't forget to pick up your targets from the can. I understand that several of West Camp Staff row tents are leaking and that targets not claimed by this evening will be rushed over to the Other Side to aid in repairing them. (Or, were they out of "toilie" paper?)

Silver Bullet Competition starts again today, so come on down and shoot the bull.

Congratulations to all certificate holders--good shootin', fellas.

To each of you from all of us---Please clean up your areas, there is just too much garbage lying around. You would be deeply thanked if our homes were cleaner. Thank you, Chipmunkwoodpeckersskunksandtherestofthecreaturesofthisarea
