(THE ONLY DAILY NEWSPAPER IN PEARSON, WI.)  
August 16, 1978

Well, is everybody O.K. this morning, after all the rain and wind and thunder and lightening?? I must say, we got a little bit of excitement last night. But, it seems as if the worst of it is over now, and everybody is all right, and rarin' to go on another day. I realize that I said yesterday that we could really use some rain, BUT, I didn't mean that much. Enough, already!!!

Field Sports-Iroquois Village, T-2, has a troop shoot this evening from 7-8. Sorry to Cheyenne and Blackfoot Villages about your shoots, but I am not about to fool with Mother Nature--and she W-A-S nasty to us yesterday.

The Green Mountain Boys of East Camp challenge the Flatlanders from West to a rifle competition this Thursday, August 17, at East Camp's Fort Ticonderoga. See you there, if you dare; we mailed you earlier this year, and we'll do it again.

Too bad, Mike White, your high score of 45, didn't even last for 24 hours. The "Silver Bullet" has changed hands to Ed Zuke, T-2, who blasted away a score of 46. The high score for East Camp this year is a 48, and, I think that it just might be beaten within the next three days. Hail, Caesar (Ed), I salute you for your score. However, to all you guys, please ease up, I do have a little trouble counting that high.

Guess that's all, but, I'll leave with a little bit of Confucious: Man who stand out in rain, will get wet.

Bow & Arrow Div:The competition for the "Golden Arrow" will continue until 5:00 Friday afternoon. At the present, Von Hilder of Troop 16, Evanston, holds all five of the records. If you don't want this turkey to take all the awards, come down and shoot.

Tomorrow at 2:00, William Tell returns. Just as Jaws II & Godfather II, "William Tell Shoot Off II" is here.

The N.Y. Times gave this review: "While I don't believe in shooting at this type of target, I found it quite enjoyable. If I only understood the first one....." Starring: William Tell, Jr. and the Apple. Can you be the next William Tell in East Camp? Only time "Will Tell".

That is about it for today. Try to stay dry, and remember to stay happy. Smile at your neighbor--maybe that will be the only sunshine that person sees all day. See ya'.
