Hello, West Camp!! Hello, East Camp!! Ad Building says HELLO!!!!
How is everybody this beautiful morning? We have really been lucky
as far as the weather is concerned, and, from all indications, we will
continue to be. Sure hope so. Now if it would only stay a little
warmer at night, everything would be great. Oh, well, guess we had
better not press our luck. On to the NEWS!!!!

WEST CAMP-The movie for tomorrow night is "Support Your Local Sheriff",
starring James Garner. It is a rousing comedy that can be enjoyed by
all. Starting time is approximately 8:30 PM, in the West Dining Hall.

Period One Troop shoot winner was Troop 57 with a score of 29.14; 2nd
place went to Troop 3, with 28.0; and 3rd place to Troop 62, with a
26.64 score. Good shooting to all!

The SPL's have planned a Waterfront Carnival for Thursday, July 5, at
2:00 PM.

On Sunday, July 1, the gourmet skills of West Camp were put to the test
as the Champions of each village engaged in the "Great 50th Anniversary
Birthday Cake Bakeoff." The Scoutcraft center buzzed with excitement
as the patrols charged off in fierce competition. With three hours
having passed, the tribunal met and deliberated over the findings. In
a difficult and unprecedented decision, they chose their Champion. The
competition was close, but in the end, Troop 62, Hickok Village, emerged
the Victor. Special honorable mentions must go to Troop 150, Boone,
Troop 3, Fremont, and Troop 57, Bridger. A job well done, and only
worthy of the big "50".

What is that rising high among the pines? Is it a bird, or a plane?
No, it's Scoutcraft!! Soon to be soaring over West Camp-the West Camp
Tower-a tribute to those MEN of the West. Construction begins today
at 2:00 PM. All Engineer's wanted!!!
