No. 11

You've heard of "Button, button-whose got the button"? Well, this morning, we had a case of "Harold, Harold-whose got Harold". It seems that certain members of the Utility Staff, who shall remain nameless, tried to kidnap Harold. If "Swannie" had not been an eye witness to this dastardly affair, there is no telling what the outcome may have been. It appears that we may have to assign a body guard to Harold to make sure that he remains in West Camp. Now that we have him, we do not want to loose him.

WEST CAMP NEWS-The long awaited Aquatic Carnival will take place this afternoon at 2:00. With luck, all Troops will be there. 

Congratulations to all Troops on the many activities you have participated in, these past two weeks.

The West Scoutcraft area is happy to announce that all campsites will receive the red, white and blue campsite award. These, and other special awards will be given at the Friday night campfire.

FAMILY CAMP-All families are invited to attend the Water Carnival at West Waterfront this afternoon at 2:00 PM.

"Here I sit like a bird in the wilderness, waiting for East Camp to come" and bring me the items they want to put in the "Smokes". Come on, guys. Let's get with it!!!!

Latest addition to Family Camp News-The Country Store will be closed today between 2:00 and 3:00, because of the Water Carnival. All other hours remain the same.

EAST CAMP NEWS-

NONE

Oh, I take that back...The news just came in via telephone. There is a Staff meeting immediately after lunch in the East Camp Office. Horse-back riding this afternoon. See Tom McLean after lunch, but before the Staff Meeting.

Troops, remember there are only a couple of days left to finish up your Merit Badge work.

Well, that's about it for this time. It looks as if the weather is going to be really super today, so get out and enjoy the warm sunshine. And, smile--it doesn't hurt a bit.
