Vol. 6

JULY 6, 1979
No. 12

And now, for another chapter in the adventures of Harold. This AM, right before the eyes of the Administrator, his secretary, and several other staff members, the Maintenance Staff tried once again to kidnap Harold. He was thrown violently into the back of a jeep, and driven out of camp, all the while, yelling for help. In a short time, he was returned safe and sound, when the kidnapers realized that they had been seen, and could be identified. The "Saga of Harold" continues.

We have a few announcements from Mr. Robert G. King, our Camp Administrator:

Mr. King announces the engagement and forthcoming marriage of former staff member, John Lillstrom to the very attractive Brenda Morgan. John served on the Camp staff as Eco-Con Director, and as High Adventure Director. He is a member of SSS #129, the Wilderness Engineering Society, and the Tamarack Society. Many of you may have had a chance to meet Brenda a week or two ago, when she and John spent some time up here assisting in the opening of Camp. Congratulations and good luck to them both from all here at Ma-Ka-Ja-Wan.

Mr. King also announced, today, that former staff man, Dave Smith would be arriving some time today to, among other things, assist in some art work for Mr. King. Dave will be chained to a desk in the Ad Building until the task is completed. Feeding hours are 8:00-12:30 and 6:00 in case you would like to drop by and see him.

"Swannie" would like to say "thanks" to all Scouts and leaders from first and second weeks. It's been great having you here. Sure hope you enjoyed yourselves, and that it has been a great experience for you. A special thanks for starting our 50th year with fun and good times.

A special round of applause to Dr. Lamermayer and Troop 57. They really outdid themselves this morning at breakfast. Say, Doc, anymore medals and they will be dragging on the floor.

The East Camp Staff would like to extend their thanks to a SUPER group of Scouts who were here for the 1st and 2nd periods of Ma-Ka-Ja-Wan's 50th year. We hope you had a good time and enjoyed yourselves because we sure enjoyed having you here. God bless to all and have a safe trip home. We'll see you next year.

Waterfront-Todd Davis passed his Swimmer's test yesterday. This is especially impressive since Todd came to camp as a nonswimmer.

Tom McLean, alias Campus Directorius Eastus, alias Big Mac, passed his swimmers test yesterday. I guess it's sink or swim, Tom.

I guess that does it for now. If you have some spare time, be sure to try the Administrator's mile, and enjoy your day. It is your last day here for this period, so make the most of it. Get home safely, all you Scouts and Scouters. We need you to help make Ma-Ka-Ja-Wan the great place that it is. Remember---S-M-I-L-E!!!!!!!
