

MA KA JA WAN

SMOKE SIGNALS
Vol. 6

JULY 7, 1979

Good morning!!! Well, gang, here we go on the close of the first period and the start of period two. It's been an interesting first two weeks, a few difficulties, as per usual, but for the most part it's been fun. The Staff hopes that it has been fun for all the Scouts and Scouters, too. Come mid-winter, we all hope that you think kindly of us, and remember Ma-Ka-Ja-Wan fondly. Bye for now--see you next year.
