JULY 12, 19

No. 18

Well, here we are----almost up to the BIG DAY--the 50th Anniversary Celebration. It is really going to be a special day. It's not too often that you get a chance to participate in a Golden Anniversary. Let's hope that the weather will be super deluxe-sunny, warm, but please, not quite so humid. Let's all clean up-spruce up, sweep up, and get ready. Happy 50th, everybody!!

FROM WEST CAMP-Scoutmasters lunch today at Scoutcraft area.

Eric does it again-the O/A fire is ready to go. Thanks to Scouts, Scouters and Staff for your cooperation, especially West Waterfront Staff.

Tomorrow, the Reservation will start to see the arrival of hundreds of visitors. The cooperation of all campers is essential. Keep the trails and Villages cleaner than before. All visitors are welcomed to visit the camp sites, with permission of the Scoutmasters. ...

FROM FISHING OUTPOST-28 Scouts have already made application for Fishing Merit Badges, to date.

April Schwernan, age 8, Family Camp, brought in a nice 15" large mouth bass, with a string of blue gills. April was really proud of the bass, as that is the largest fish she ever caught.

Four boys from Troop 198 were really proud fishermen. They brought in a catch of one Northern Pike, 33" long, weighing 7#, along with a 24" Northern and 20 nice crappies, averaging 1/2 to 3/4 pounds each. From Harold Simons, Our Fishing Counselor

ORDER OF THE ARROW-There will be an important work project at the O/A Bowl for all members at 8:00 tonight.

FROM EAST CAMP-Tonight at 8:45, in the East Dining Hall, Ahituv Shiffman, will present a slide show of his homeland and of Scouting in Israel. Due to the number of Scouts in camp, the following villages are invited to come and watch this fantastic display: Mohawk, Iroquois, Blackfoot, Commanche and Chippewa. The rest of East Camp will be able to view the show next week. (Be sure to try and make it because the slides truly are very interesting.)

Remember, horseback riding this afternoon. There are still a few spots open, so if you want to go, see Tom.

(Read On!!)

Tomorrow morning, all Scoutmasters and adults are invited to Camelot for an 8:00 AM breakfast.

Eco-Con-Troop 162, report at 2:00 to Camelot for work on Pulp & Paper. Other Paper people -at 7:00 for papermaking. Friday morning, there will be a short final session for Pulp & Paper orals. Troop 162, report at 9:30, all others at 10:00. Be there! Friday night, at 7:00, there will be an Edible plant feast open to all. All Mammals people must get started on projects soon. Check with Ken or Dave.

Field Sports-Troops planning on competing in the Archery Shoot-Off on Saturday afternoon, please contact Andy by Friday at 5:00 PM. Troops that are leaving this weekend, please make sure you finish up the N.R.A. Certifications you were working on. Come on down.-Leadfoot

FAMILY CAMP-Nature Hike at 7:00 PM. All interested meet by the store. Be sure to wear "grubbies" and shoes that can get wet. All folks going to the Fish Hatchery, meet at the Ad Building around 1:30-2:00.

That's about all for this time. We will close with an interesting bit of information from Leadfoot--It uses 34 muscles to frown, but only 16 to smile-so.....Conserve Energy!!!! SMILE
See ya'

P.S. Fishermen, please note!! The lake on the other side of County Route "T" is for the use of the campers in Wabaningo. Please limit your fishing to Lake Killian. Thank' you.
