Happy Wednesday, everybody! It looks as if it is going to be a great day--the sun is shining brightly, and the temperature is supposed to reach the 80's, so, get out and enjoy, enjoy!! It may not last long, so make the most of it.

FROM WEST CAMP-Tomorrow is National Inspection of MA-KA-JA-WAN Scout Reservation. As should be done everyday-the trails, villages and tents should be clean. Flags up and fire buckets filled and in their correct place. Let's have a clean-safe camp everyday-not just on Thursday.

SPL meeting today after lunch concerning Staff hunt.

Staff-All merit badge completions to "Swannie" as soon as possible.

Retreat on Friday at 5:45-Campfire Friday night.

FROM EAST CAMP-My thanks to Troop 260, it was really fun. Remember, sometimes it works and sometimes it doesn't. Tom

Program areas will be closed this evening.

Announcing! Tonight; at the Boonie Bijou Theater, Fred MacMurray will star in the Disney feature, "The Absent Minded Professor". The flick will start at 8:30 PM. Your "bod" will be your ticket, so make sure you're at the dining hall. Come on down and find out what flubber is. (No, it's not what's around Tom's waist, that's blubber!)

Please do not bother the Indian pumps out near the Outpost Commissary. They are for fire-fighting and are not to be played around with.

We ask that only Scoutmasters pick up their mail. It will not be given to any Scouts.

Delaware Village has shower clean-up today.

Eastern Flottilla HQ-The all new multi-purpose polo nets are in the water! C'mon down to the waterfront and sign your troop up for water-polo or water basketball.

East T.P.-Today is Trivia Day. Can you win? Come on down and try your luck.

QM-Please return any equipment signed out, before the mad rush on Friday. Thanks.

(Continue, please)

EAST & WEST-We are sorry to report that the raft bus broke down this morning. We are trying to get it fixed for this afternoon raft runs, but if it's not fixed, the runs scheduled for today are postponed until Friday. We will try to let you know at lunchtime what the situation is. Thank you for your understanding.

FROM FAMILY CAMP-Don't forget the Campfire tonight. It will be held in the circle at 8:30. Think of some skits and songs you'd like to share with the group.

Don't forget to eat with your troop tonite. Beef stew and biscuits is on the menu.

A Nature Hike is planned right after supper. Meet at the store!

Scoutmasters-Please do not let your troop come to the Country store alone. Scouts must be accompanied by Scoutmasters. Any Scouts coming to the Store alone will not be served.

Reminder: Showers in Family Camp are for the folks in Family Camp. They are not to be used by ANY campers.

The Country Store is proud to announce that they have bananas, and are ready to whip up some super deluxe banana splits. Stop by and see the girls whip up an ice cream delight that you will not believe!!

And, on that sweet note, I think that we will close. Have a fantastic day, and please help keep our camp clean, because it really isn't just ours, it belongs to all of us. Try smiling, it really doesn't hurt at all. See ya'.....
