Well, wouldn't you just know it? Here it is, O/A night, and we have rain. After all the great weather we have had, why does it have to be rainy today. Well, I guess there is only one thing to do. We did it before, and it worked, so, we will try it again. All members of the Order of the Squaws will report at the usual time at the usual place, to take part in the "Go Away Rain Dance". Be sure you are not followed, as this is a very secret rite. In the meantime, everyone else can help by thinking "S-U-N" all day long. Hopefully it will clear by tonight, and the ceremony can go on as scheduled.

Meanwhile, back at the Camp--

West Camp-Formal Retreat this evening at 5:45. Assemble at the flagpole.

This is O/A Day. Beginning at noon, all O/A members are to wear their sashes.

Thanks to Scouts, Scouters and staff who worked on the O/A Bowl last night. "Swannie"

ALL Scouts and Scouters, meet at the Flagpole at 8:15 sharp, for the procession to the O/A Bowl.

Horseback rides at 3 & 4:00 are still open. See "Swannie".

FROM AHITUV-Jewish service at 5:00 at the chapel. (On the road between West and East Camps.)

Also, to the young man who found a pipe up near the Ad building earlier this week, it belongs to Ahituv Shiffman. Please return it to him at the Commissioner Site in East Camp or leave it at the East Camp Office or the Ad Building. Thanks.

FAMILY CAMP-O/A Callout is tonight. Meet at the store between 8:15 and 8:30. We should walk to the O/A Bowl just in front of the group from West Camp. The last time, Family Camp arrived at the Bowl much too early, and we had to stand on the road for over 1/2 hour, so this time we will delay our departure a little. Please stay with the group-do not go ahead on your own-you will not be let into the Bowl until the entire group can enter.

No other news except we've really enjoyed having you. You've been a good group. Have a safe trip home tomorrow.

They (Wausau) forecast sun this afternoon, so wear your raincoat and it's bound to happen. (Words of Wisdom from Nancy)

That's all for this time. Have a good day, in spite of the weather, and, PLEASE, everybody, think SUN. Don't think hot and humid, just think sun and pleasant weather. Okay?? And remember to smile-it may not help the weather, but it couldn't hurt, either. See ya'.....
