Undoubtedly, some of you were complaining about the rain yesterday, but after seeing this morning's Chicago Tribune, you should be glad that you were here instead of there! The average rainfall in Chi Town was a little over 2 inches yesterday, and parts of the area received as much as 3 inches. Some of the streets were flooded, and, things in general, were pretty well fouled up. So, aren't you glad that you're here?

FROM WEST CAMP-Thanks to our British friends for a most entertaining evening. It was appreciated by all Scouts, Scouters, staff and Family Campers who attended.

Program Areas will be closed this evening, after dinner. Instead, there will be a movie in the West Camp Dining Hall. The feature for this evening, is Walt Disney's "Light in the Forest". This is a story about an Indian boy, and should be most enjoyable. Stop by around 8:30 for a FREE movie.

There will be a SPL meeting right after breakfast Wednesday morning.

ATTENTION ALL WEST CAMPERS-Today, at the T.P., we will hold the First Annual Woody Allen lookalike contest. A 50¢ purchase is necessary to enter. First Prize-a free mug; Second Prize-a soft drink of your choice. Judging is at 1:30, so-o-o-o, see ya' all there!

All West Campers will be glad to know that Randy Earls is doing fine, after being slightly bruised up, during a water polo game yesterday. He is with his family in Family Camp, and all wish him well.

FROM EAST CAMP-There will be a very important staff meeting immediately following lunch in the East Camp Fire Bowl. This meeting is for all staff.

Horseback riding today at 2, 3 & 4:00. See Tom.

Blackfoot Village has shower clean-up today. See your Commissioners.

Tonight will be East Camp's opportunity to see the slide show that our friends from the United Kingdom brought with them. It's really a super show, so be at the Mess Hall at 9:00 and you won't be disappointed!

And, so we close on another exciting chapter of "Life at Ma-Ka-Ja-Wan", Will West TP find a Woody Allen look-alike? Will all the horses have a rider for this afternoon, or will one of them face the long PM alone and riderless? Will ALL East Camp Staff attend their important meeting? Are all SPLs going to make it to the meeting in West Camp? Patience, dear friends, for we soon shall know. Tune in again tomorrow for another exciting chapter in our true to life saga about life and times at summer camp.

In the meantime, try smiling! It can really brighten up anybody's day, and it's FREE!! See ya'.....
