EAST CAMP

It is another beautiful day at East Camp so get out and enjoy it. Iroquois: did you clean the shower today?
Scoutmasters: be sure you give me any number changes that will occur in your troops for the next week. Also, a count from each unit for the OA Feed is needed.

East Camp is to assemble at 8:40 p.m. this evening at the Dust Bowl. All non-OA members are to have their left shoulder bare.

Next week, Monday and Wednesday are East Camp horseback riding days--try to see me the day before about signing up.

Tom McLean
East Camp Director

EAST COMMISSIONERS

I am happy to announce that we have our tower and monkey bridge up in Camalot. So come on down.

HANDICRAFT

Attention all east campers. The handy hands is almost half over! Come down and make a project and win yourself a prize.

Bob Bennes, Director

WATERFRONT

Come on down to East Camp Waterfront and stay cool. Free swim from 2 p.m. to 3 p.m. today and everyday at the Eastern Front.

FIELD SPORTS

Is your life bummed out? Are you ever referred to as humdrum? Well if so, then come and join those fantastic guys, Bill Sutton and Jim Erickson for a bull session. You could become the proud owner of a Collector's Can if you can shoot a high score on the Rifle range. Also, you could win the coveted Gold Arrow by getting the top score on the 20 or 30 meter targets. Last week as of Thursday night, Tom Sutton's life was full of joy as he shot a "45". Calum Bardecki and Joe Dornik are standing high in society because they own a top score on the 20 and 30 meter targets. Remember: Anything waterfront can do Field Sports can do 20 times better. Exception: We admit that we can't play water polo in our archery range, yet!!

Ed Walters, President of MPA and East T.P. Operator

WEST CAMP

Nota Benes from the Program Director of the one and only West Camp.

We of West Camp Staff are doing our very best to make sure you Scouts have a fantastic experience at Ma-Ka-Ja-Wan. Good Scouting Fun is what we are here for. We all hope you learn a little about the outdoors and yourselves; that you take time to see the beauty around you and have a lot of fun.

Please remember to keep Ma Ka Ja Wan clean and pick up any trash you find regardless of whether you threw it there or not. A Boy Scout should be clean and so should his camp. Thank you.

(Don't tell anyone this but Staff men are crazy, nuts, insane, off-the-wall, out-of-their-gord and silly, and also highly intelligent-considering.)

The Raft Run days for West Camp next week, period 4, will be Monday, Wednesday and Friday mornings. Trail Rides at the ranch next week will be Tuesday and Thursday at 2:00, 3:00 and 4:00. Remember only 8 people per trail ride at any time slot. Next Friday don't forget the great Rodeo!

Order of the Arrow Callout: West Camp will assemble at 8:10 at the flagpole and promptly leave at 8:20. All non-OA members should have their left shoulder bare. Bring your ponchos, it is suppose to rain. Boo! Hiss! Yuch! AAAAAAAGH!

Have a great time at the callout tonight and a super day of Scouting on the morrow.

Tony Mockus

Addendum: A minimum of 20 people and a maximum of 40 people per raft run. Please pay 24 hours in advance at the Ad Bldg. \$4.00 per person and expect to take the bath of your life.
